Wow! I'm going to take it as a sign of good luck that I know two people with the same name.

I don't think there's another Ellen Endo, but I wish you and the rest of the LA Corps team good luck, too.

Sounds good. By the way, I noticed someone named Ngoc Nguyen with UCLA is helping with a Little Tokyo survey. Is that you? If so, you must be multi-talented.

Hi Ellen,

I just want to let you know that we will submit invoice to you every other month instead of every month to save paper. We will submit October and November invoice together in November.

Thanks

Ngoc,

I think we missed one payment - maybe in June when we were still operating under last year's rate. A check is on its way to you. I am planning to send you payments for August and September invoices, which I think will bring us current.
